Rules for “Penny War”

In keeping with the Catholic Schools week theme of Service, the money raised will go towards a charity (or several) of the students’ choosing.

- 🍏 **COIN CONTAINER** will be labeled with each class teacher and grade and will be placed in the library or other suitable location.
- 🍏 **STUDENTS FROM** class will put their pennies in their class’ container. One point is received for every penny in the container. (OK to leave rolled pennies in the paper roll!!...makes counting easier!)
- 🍏 **STRATEGY COUNTS.** Students may put other coins and paper currency into the containers of OTHER classes. Each silver coin or dollar reduces the number of points from that container by the amount of the coin. (i.e. a nickel reduces the points by five, a dime by ten, a dollar by 100, etc...)
- 🍏 **CONTAINERS WILL** be emptied and counted daily. The total amount of silver coins and paper dollars will be subtracted from the total number of pennies raised for the day.
- 🍏 **THE TOTALS** for all classes are posted daily on for all to track.
